

CLAIMS

Claims 1-3 (Canceled)

4. (Previously presented) A wallet card comprising:
a thin, flat, substantially rigid substrate;
a first area of the card carrying machine readable information;
a magnifying lens disposed within the substrate in non-interfering relationship with the first area.
5. (Previously presented) The wallet card of claim 4 wherein the wallet card comprises a financial transaction card.
6. (Previously presented) The wallet card of claim 5 wherein the wallet card comprises a credit card.
7. (Previously presented) The wallet card of claim 4 wherein the magnifying lens is a Fresnel lens.
8. (Previously presented) The wallet card of claim 7 wherein the Fresnel lens comprises a series of contour lines formed in a surface of the substrate.

Claims 9-12 (Canceled)
